Bath Demonstrations...

Why book a demonstration?

- They are a great way to see our baths in action and realise the build quality and features of the range. They are also a good opportunity for you to communicate your needs and what matters to you, so we can ensure we provide the best and most suitable solutions for you.

How do I book a demonstration?

- Just get in touch with our team on 01726 438694 or email sales@protecbaths.com and we will be glad to arrange this for you!

Do you charge for demonstrations?

- Our no obligation demonstrations are free to the client

How do you bring the baths to us?

- We have a bespoke state of the art mobile showroom which is a fully fitted out trailer with our demonstrations bath(s) in.

How long does a demonstration typically take?

- Typically 45-60minutes, however it does depend on audience engagement. We're happy to answer all questions you will have!

What happens if the bath you bring to the demonstration doesn't turn out to be suitable for us?

- That's no problem at all! We only want to do what is best for you and your clients so we will never try to sell you something we don't truly believe to be the best solution.

How many people can attend the demonstration?

- We typically have anywhere from 2-20 attendees at our demonstrations .

Demonstration Logistics...

As mentioned above, our showroom is in a large trailer, so we will need ample parking and turning space for it. The total length of the trailer plus towing vehicle is approx. 12 metres.

If access will be a constraint where you are, please let us know and we can arrange to meet at a public venue nearby which has adequate parking space.

There is plenty of space inside the trailer so if the weather turns against us, this isn't a problem!

We look forward to seeing you!
