

Left Hand

'As you are stood at the tap end of the bath, and the seat turns out over the left hand side, this is left hand bath'

Right Hand

'As you are stood at the tap end of the bath, and the seat turns out over the right hand side, this is right hand bath'

(Allow bath width + 580mm for extended seat + 300mm for access, to work our suitable position, handing and bath width)
